

Zenith® UPHOLSTERY INFORMATION

Thank you for your interest in **'Original' Zenith®** replacement upholstery sets. The look and feel of new upholstery will add life to your practice and help build prestige and confidence in your clinic. Update and freshen your equipment... your patients will notice!

For the best value and a real time saver, select our complete **CUSHION SETS**... they're ready to install. Complete **CUSHION SETS** are available in genuine leather, Heritage or our **NEW SENSATION** material, that is now standard on new **Zenith®** adjusting tables.

- **Genuine Leather** offers a rich visual and tactile feel; coupled with the elegant scent of leather that sets the patient impression of your treatment room to the highest level.
- **Heritage™** offers a rich leather-like, soft feel, with the added benefit of being a non-porous material.
- **"SENSATION"** provides a rich palette of beautiful colors, and has several new jewel tones that are sure to spark interest in the clinic. Colors include: Desert Rose, Cobalt, Chocolate, Ash, Dark Green, Taupe, Black, Grey Teal, Mauve, Dusty Jade, Greystone and Adriatic Blue.

Zenith® adjusting tables often outlast the life of a practice and you can expect that some design changes have occurred since your table was manufactured.

- Take a moment to inspect the entire table while you're retrieving the serial number for your order.
- Next, choose from complete **CUSHION SETS** (new covers pre-assembled over new foam fillers and new boards) or **COVER SETS** (pre-sewn die cut flat goods with coordinating trim edging).
- It's just that simple.

All cushion orders must include a serial number or estimated age to help assure proper fit. Note: if your tables were manufactured prior to July 1983, new base boards need to be drilled / fitted on-site. Also, if your table does not have a pelvic drop, then be sure to order the adapter kit, #800-579-00. Enclosed find SENSATION color selections, leather colors are similar.

Prices are as follows:
